SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The following Form 1449 and copies of documents listed thereon are being filed herewith as a Supplemental Information Disclosure Statement. Consideration of each of these documents by the Patent Examiner, and the making of each of them of record in the file of this application, are respectfully requested. The seven foreign documents are not in English; however, it is believed that the concise statement of relevancy is met by the English abstract attached to the front of each document.

Respectfully submitted,

Dated: Dec. 30, 1998
